STEAK AND WINES PAR EXCELLENCE

F. X. BUCKLEY.

WINE CELLAR

Here at F.X. Buckley, we pride ourselves in serving not only top quality steak but in also offering our customers a selection of the very finest wines to match. We believe the opportunity to enjoy exquisite wine is an integral part of your dining experience with us, as nothing complements a perfectly grilled steak as much as the perfect bottle of wine.

So our wine list has been carefully chosen to enhance your dining experience by providing a wide variety of wines to please every taste and suit every occasion. To achieve this we have selected and cellared an extensive collection of wines, including rare and vintage wines, for you to choose from. While we do our best to have all the wines on our list available, occasionally we may be unable to provide a specific wine and as you will appreciate, vintages are subject to change. Should you desire a wine that is out of stock, we will gladly assist you in choosing another comparable wine from our award winning wine list.

F.X. Buckley is also pleased to offer a range of excellent wines by the glass using The Coravin™ System. This is the perfect way to experience some great wines without the expense of purchasing a whole bottle.

So whether it is a glass, bottle or even a magnum that you are looking for, we will be happy to help you find the right wine.

Enjoy your meal...and your wine!

F.X. Buckley discovered Webersburg, a boutique winery located in the beautiful wine region of Stellenbosch, while travelling in South Africa. It has a winemaking history going back over two hundred years with incredible original cellars built in 1786. The vineyards are located on exceptional granite soils on the slopes of the Helderberg Mountains where they benefit from the cool sea breezes. This small winery has a limited production of premium fine wines which reflect the unique Helderberg terroir. With low yielding vineyards, Webersburg produces a classic style of wine with an elegant ageing potential all resulting from the careful attention to detail in the vineyard and winemaking. At Webersburg they believe in minimal intervention during the barrel maturation of 18 to 22 months based on an unhurried ageing philosophy allowing the wines to mature in bottle for a further 2-4 years before release.
